Meet Hospice's Medical Director

Hospice of Stanly & the Uwharrie has announced Philip Veatch, MD as Medical Director for its agency serving Stanly and surrounding counties. In that role Dr. Veatch has overall responsibility for the medical standards and practices of the Hospice program as well as serving as a consultant and advisor to the Board of Directors and staff. He collaborates with referring and consulting physicians and patients' primary care physicians on individualized, quality end of life care services.

Dr. Veatch, is board-certified in Internal Medicine and is in private practice at Central Carolina Medical Associates. He is a graduate of the Medical College of Georgia School of Medicine and spent his residency at University of Kentucky. Dr. Veatch and his wife Nancy live in Albemarle and have five children and five grandchildren. "This is a wonderfully close-knit and caring organization, and that spirit of closeness and community outreach appealed to me," noted Veatch. "I look

forward to working with the Hospice team, continuing to provide the most supportive end of life care for residents of Stanly County and the surrounding areas."

"I look forward to working with the Hospice team..."

"Dr. Veatch is a vital part of our team and the mission to treat and manage the unique symptoms of our Hospice

patients in their own homes, where they are most comfortable," said Lori Thayer, executive director of Hospice of Stanly & the Uwharrie. "We believe our patients and their families deserve the most quality and compassionate care we can provide," Thayer added.

The 2016 Volunteer Banquet

Hospice of Stanly and the Uwharrie has a celebration planned to honor exceptional people with extraordinary hearts—hospice volunteers. The volunteer appreciation banquet will be held in the Family and Education Center at Stanly Regional Medical Center on Thursday, April 7, 2016 and includes dinner prepared by the special events staff of SRMC.

The willing spirit of a hospice volunteer is a beautiful gift to Hospice of Stanly and those we serve. Their generous contribution of time, energy, and resources is to be commended. “We are able to accomplish so much more with the dedication and help of our

hospice volunteers,” states CaShaun Miller, Hospice Volunteer Coordinator.

Thursday, April 7
Family & Education Center
Stanly Regional Medical Center

The hospice volunteers engaged in our program offer companionship to patients and families, assist in the administrative office, increase community awareness, and enhance our services. For more information about volunteer opportunities, please call CaShaun Miller at 704-983-4216.

Have you been in The Antique Marketplace lately?

Our Hospice staff and volunteers have been BUSY! We've revamped the space and have Angels, handcrafted by our volunteers, on display and for sale. All proceeds from the Angels directly support the care of patients and families served by Hospice of Stanly & the Uwharrie. The Antique Marketplace is located on Badin Road (Highway 740 Bypass) in Albemarle.

Meet Hospice's Medical Director

Hospice of Stanly & the Uwharrie, a nonprofit organization, was founded through the grassroots efforts of people in this community, and it continues to be governed locally by a board of directors. Through the generosity of many, Hospice of Stanly has been able to provide care to more than 5,200 terminally ill residents since 1981. We remain focused on providing compassionate care, comfort and support for patients and families so they can focus on what's most important – spending quality time together and living as fully as possible. The professional staff of Hospice provides skilled nursing care and support services to meet the needs of the patient and family 24 hours/seven days a week. FROM A hospice volunteer

"I have been blessed beyond measure to have been served by Hospice when my husband was in his last days and embraced by all of you as I worked through my grief.

I feel so fortunate to be a part of Hospice and the wonderful, caring ministry it is. I pray that I can bless others as you have blessed me."

Giving to Hospice of Stanly & the Uwharrie

Every Gift Counts

Through the generosity of individuals, businesses, churches, and civic groups, we have provided care to more than 5,000 terminally ill residents – and hundreds more families through our community bereavement program. We are very grateful for the support that we receive from the community.

Although we receive reimbursements from Medicare, Medicaid and private insurance, these benefits are not enough to cover all of the costs for the services that we provide.

Your tax-deductible gift will ensure that Hospice of Stanly continues its mission of surrounding patients and their families with compassionate care, enabling them to embrace the end of life with dignity, courage and peace.

How can you donate to Hospice?

Hospice of Stanly County depends on donors to help meet the needs of our patients and families each year. The donations we receive through memorials, special events and other fundraisers assist us with meeting

the needs of patients – allowing us to continue the practice of “never turning anyone away due to inability to pay.” You can make a tax-deductible contribution (including memorials & honorariums) by using one of the following methods:

Give Online - Make a secure, online contribution with your Visa, MasterCard or Discover Card by visiting our website www.hospiceofstanly.org

Give by Mail – We also accept memorials, honorariums and general contributions by mail. You may send your check (payable to Hospice of Stanly County) to:

Hospice of Stanly County
960 North First Street
Albemarle, NC 28001

Give by phone - You may call the Hospice office and make a donation, 704-983-4216

For additional information, contact Beth Plowman at 704-983-4216. Again, thank you for your support.

Celebrate

National Healthcare Decision Day

on April 16th by making your medical wishes known.

MY FIVE WISHES:

1. The person I want to make care decisions for me when I can't
2. The kind of medical treatment I want or don't want
3. How comfortable I want to be
4. How I want people to treat me
5. What I want my loved ones to know

"Advance Directives" are legal documents (Living Will and Healthcare Power of Attorney) that allow you to plan and make your own end-of-life wishes known in the event that you are unable to communicate. For more information about advance directives, contact Hospice of Stanly & the Uwharrie at 704-983-4216. Our social workers can offer assistance with a scheduled consultation or telephone call.

How Does Hospice Care Work?

Typically, a family member serves as the primary caregiver and, when appropriate, helps make decisions for the terminally ill individual. Members of the hospice team make regular visits to assess the patient needs and provide supportive care services. A hospice nurse is on-call 24 hours a day, seven days a week.

The hospice team develops a plan of care with the patient and family that meets their individual needs for pain and symptom control. The team consists of:

- The patient and family/caregiver
- The patient's personal physician
- Hospice Medical Director Nurses
- Hospice Aides (CNAs)
- Social Workers
- Clergy and Counselors
- Trained Volunteers
- Other therapists, if needed

The care team helps the patient and family coordinate delivery of medical equipment, medications and treatments necessary to provide high-quality comfort care, enabling patients to remain at home with their loved ones.

Who Can Make a Hospice Referral?

Anyone can refer a patient for hospice services. The Hospice of Stanly & the Uwharrie care team will assure that the patient's physician agrees that hospice care is appropriate and will obtain orders for hands-on patient care. Our admissions team is available to speak to patients, family members or health care providers and helps you determine if hospice care is appropriate. Evaluations for hospice eligibility are made free of charge.

We can help determine insurance coverage for hospice care and will explain all levels of service we can provide. The referral process begins with a phone call to our office at 704-983-4216.

Is Hospice Just for Cancer Patients?

No. In fact, in 2014, only 37% of patients served by Hospice of Stanly & the Uwharrie had a diagnosis of cancer. We serve patients with any life-limiting illness, including Alzheimer's, ALS, lung disease, heart disease, end-stage liver or kidney disease, stroke and more. In each case, patients remain at home, when possible, and can live comfortably, be pain-free, and benefit from the care, love and concern of loved ones as they near the end of life.
