Lowe's Volunteers Revamp the Hospice of Stanly Office

Lowe's employee volunteers from Lowe's of Albemarle spent over 90 combined hours to revamp the office of Hospice of Stanly & the Uwharrie. Fifteen volunteers spent Friday, September 16th at the Hospice office painting walls and doors, installing shelves and cabinets, replacing plumbing, adding planters and more.

Hospice of Stanly's Community Outreach Manager, Beth Plowman, said the improvements and materials donated by Lowe's would save the

agency about \$3,000 in needed updates to the building. "The Hospice of Stanly team was all smiles at the many projects that Lowe's employees were working towards," Plowman said. "It was exciting to see everyone's enthusiasm when they finished a project because they knew they made a difference to Hospice. It's selfless acts like these that help better our community. We are grateful for Lowe's generosity and their employees sharing their time."

**It's selfless acts like
these that help
better our community.**

Thank You!

American Legion Post 520 and American Legion Riders 520!

Thanks to a gift from a local organization, a U.S. flag now flies over the Hospice of Stanly & the Uwharrie office located at 960 North First Street in Albemarle. The American Legion Post 520 and the American Legion Riders 520 donated and installed a flag pole and the American flag that now flies in the front yard of the Hospice office. Staff and board members of Hospice of Stanly, community members and National Guardsman attended the ceremony as the flag was raised by members of the Legion Posts.

Union Power Donation

Hospice has been a cause close to the hearts of Union Power employees for years. In December 1999, Union Power Construction Supervisor Ray Jenkins lost his battle with lung cancer. Hospice provided care and support for Ray and his family during his final days, and Union Power employees wanted to find a way of giving back in memory of their co-worker. Thus began the annual Ray Jenkins Memorial Golf Tournament. Monies raised from the tournament have been given to Hospice every year since 2005.

In 2009, employees formed a Hospice committee and renewed their focus on raising money for the Hospices of Union and Stanly Counties, giving to each during alternate years. In addition to the annual golf tournament, employees give generously through voluntary payroll deductions. They also plan various fundraising events, donating their time and money throughout the year. Employees have exceeded their goal each year, and since 2009 have contributed more than \$250,000 to Hospice of Stanly & the Uwharrie.

Union Power Cooperative employees presented a check for \$47,288 to Hospice of Stanly & the Uwharrie at the Cooperative's Oakboro district office.

Hospice of Stanly Recognized as a We Honor Veterans Partner

It may surprise many people to learn that 25 percent of those who die every year in the U.S. are Veterans. To help provide care and support that reflect the important contributions made by these men and women, Hospice of Stanly & the Uwharrie has become a national partner of **We Honor Veterans**, a pioneering campaign developed by National Hospice and Palliative Care Organization in collaboration with the Department of Veterans Affairs.

As a **We Honor Veterans** Partner, Hospice of Stanly will implement ongoing Veteran-centered education for their staff and volunteers to help improve the care they provide to the Veterans they proudly serve. The nation is seeing many of the Veterans who served in World War II and Korean pass away—and the number of deaths of Vietnam Veterans is beginning to rise.

The **We Honor Veterans** campaign provides tiered recognition to organizations that demonstrate a systematic commitment to improving care for Veterans. “Partners” can assess their ability to serve Veterans and, using resources provided as part of the campaign, integrate best practices for providing end-of-life care to Veterans into their organization. By recognizing the unique needs of our nation’s Veterans who are facing a life-limiting illness, Hospice of Stanly is better able to accompany and guide Veterans and their families toward a more peaceful ending. And in cases where there might be some specific needs related to the Veteran’s military service, combat experience or other traumatic events, Hospice of Stanly will find tools to help support

those they are caring for.

“All hospices are serving Veterans but often aren’t aware of that person’s service in the armed forces,” said J. Donald Schumacher, NHPCO president and CEO. “Through **We Honor Veterans** we are taking a giant step forward in helping hospice and palliative care providers understand and serve Veterans at the end of life and work more effectively with VA medical facilities in their communities.”

As a **We Honor Veterans** Partner, Hospice of Stanly will implement ongoing Veteran-centered education for their staff and volunteers to help improve the care they provide to the Veterans they proudly serve.

“VA shares a common goal with our nation’s hospices, and that is to provide the best possible care specifically tailored for Veterans, meeting their goals of care in their preferred setting. As we focus on working together and unite our services and skills, **We Honor Veterans** will channel our combined strengths directly to Veterans - wherever they are receiving care.”

The resources of **We Honor Veterans** focus on respectful inquiry, compassionate listening, and grateful acknowledgment, coupled with Veteran-centric education of health care staff caring for Veterans. To learn more about **We Honor Veterans**, please visit wehonorveterans.org.

“America’s Veterans have done everything asked of them in their mission to serve our country and we believe it is never too late to give them a hero’s welcome home. Now it is time that we step up, acquire the necessary skills and fulfill our mission to serve these men and women with the dignity they deserve,” added Schumacher.

Hospice of Stanly & the Uwharrie gratefully acknowledges the memorials and honorariums received in our office between November 1, 2015 and October 31, 2016. If we have inadvertently omitted a donation from this listing, please notify our office.

Meet Our Team

Over the next few months, we will be spotlighting each member of the Hospice team on the Hospice of Stanly & the Uwharrie Facebook page. We'll share their backgrounds, roles and unique perspectives, so you can get to know the special people that share their gifts with Hospice of Stanly and our communities. Each and every one of our employees represent the spirit of Hospice: surrounding patients and their families with compassionate care, enabling them to embrace the end of life with courage, dignity and peace.

Meet a few of the members of the Hospice team...

Janna Spurr, Social Worker
MSW, LCSWA

Janna Spurr is one of three social workers at Hospice of Stanly with 2 years of experience dedicated to the care of Hospice patients and their families. She felt a passion to help older adults age-in-place, within their own communities, after she watched her grandfather care for her grandmother.

Janna grew up in Matthews, where she still resides, with her husband, two daughters, dog and four cats. When she's away from Hospice she enjoys swimming, running and listening to audio books. Janna's family's favorite vacation spot is Blowing Rock, NC.

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel" is a quote from Maya Angelo and a favorite of Janna's.

Brandi Burluson, Staff Nurse
RN, BSN

Brandi Burluson is one of our staff nurses here at Hospice of Stanly and has always loved to take care of people. She received her CNA while in high school and knew soon after nursing was the career she wanted. Brandi graduated from Presbyterian School of Nursing with her RN and then from UNC Charlotte with her BSN.

Brandi was born and raised in Oakboro and now resides in the Endy community with her husband and her two blonde-headed boys, ages 4 and 2. She loves to be with her family and has a new interest in photography.

Brandi believes she is blessed to care for her patients and their families saying "I was a nurse at Presbyterian Hospital and had been for four years when a position became available at Hospice of Stanly. My grandpa passed the same day I was offered the Hospice position and I felt as if God was placing me where he needed me to be." Brandi believes a Maya Angelou quote inspires her every day, "People will forget what you said, people will forget what you did, but people will never forget how you made them feel."

Amy Brinson,
Administrative Assistant

Amy is our Administrative Assistant here at Hospice of Stanly. She is the bright and smiling face that greets you when you walk through our office doors. She is a Wingate University alumni and enjoys meeting and working with people.

Amy is a Stanly County native and currently resides in the Endy/Frog Pond area. She is married with two children and two grandchildren. She enjoys being with her family, going to the beach, riding a golf cart, church activities, and enjoying being with her grandchildren.

"I enjoy my job at Hospice. I work with amazing people and I enjoy meeting all of the people that come into our office. I want to be able to help in any way that I can.

Hospice of Stanly & the Uwharrie surrounds patients and their families with compassionate care, enabling them to embrace the end of life with courage, dignity and peace. Since 1981 Hospice of Stanly has provided a quality of care that sets us apart - because of exceptional people, like Brandi, Janna and Amy sharing their skills with our communities.

Spotlight: Ruth Coggin

Meet Ruth Coggin, a Hospice of Stanly Volunteer-Extraordinaire since 1995! She's our oldest volunteer at a young 92 years of age.

What made you start volunteering with Hospice of Stanly?

I always loved people. I wanted to be a nurse but my parents were not able to send me to school so after I retired from the textile mill after 44 years, I decided to volunteer because I felt like I was helping people that really needed it. I felt like I was meant to help these people.

Why do you love Hospice?

Hospice is there for people when they need help the most. I was excited to be a part of the team at Hospice that takes care of our neighbors and friends.

What is your favorite memory?

I do not have a favorite memory, I have visited with lots of patients over the years and have made a connection with each and every one of them. I loved getting to know the patients and their families. Those patients were truly a blessing to me and I hope that I was able to be a blessing to them as well.

Prayerful Needlers

Thank you to the "Prayerful Needlers" of Chandlers Grove United Methodist Church for gifting beautiful pillows and hearts to Hospice of Stanly. These hand-crafted gifts will be shared with our Hospice patients and families. We are most grateful to these ladies for sharing their amazing gifts with Hospice of Stanly!

We Love Our Volunteers

The work, support and companionship that Hospice of Stanly volunteers provide makes a world of difference in the overall care we are able to deliver. From office support, crafting, baking, assisting at special events, running errands, assisting with chores, installing ramps, or simply lending a listening ear, volunteers work with the Hospice team as well as directly with patients and their families. The spirit of the Hospice of Stanly volunteers is a beautiful gift to Hospice and those patients and families we serve.

Each unique ornament provides comfort in knowing that we are all being watched over by our loved ones.

proceeds benefit Hospice of Stanly & the Uwharrie.

The Antique Marketplace is located on Badin Road (highway 740) in Albemarle.

*“Wherever you go, whatever you do,
There is always an angel watching over you.”*

Not only do we touch the lives of our patients but we touch the lives of the people who surround them

For 
Not profit.

Since 1981, Hospice of Stanly has surrounded patients and their families with compassionate care. As a nonprofit organization, we are committed to providing care to Stanly & Surrounding counties – regardless of a family's ability to pay.

Giving to Hospice of Stanly & the Uwharrie

Every Gift Counts

Through the generosity of individuals, businesses, churches, and civic groups, we have provided care to more than 5,500 terminally ill residents – and hundreds more families through our community bereavement program. We are very grateful for the support that we receive from the community.

Although we receive reimbursements from Medicare, Medicaid and private insurance, these benefits are not enough to cover all of the costs for the services that we provide.

Your tax-deductible gift will ensure that Hospice of Stanly continues its mission of surrounding patients and their families with compassionate care, enabling them to embrace the end of life with dignity, courage and peace.

How can you donate to Hospice?

Hospice of Stanly County depends on donors to help meet the needs of our patients and families each year. The donations we receive through memorials, special events and other fundraisers assist us with meeting the needs of patients – allowing us to continue

the practice of “never turning anyone away due to inability to pay.” You can make a tax-deductible contribution (including memorials & honorariums) by using one of the following methods:

Give Online - Make a secure, online contribution with your Visa, MasterCard or Discover Card by visiting our website www.hospiceofstanly.org

Give by Mail – We also accept memorials, honorariums and general contributions by mail. You may send your check (payable to Hospice of Stanly County) to:

Hospice of Stanly & the Uwharrie
960 North First Street
Albemarle, NC 28001

Give by phone - You may call the Hospice office and make a donation, 704-983-4216, with a credit or debit card.

For additional information, contact Beth Plowman at 704-983-4216. Again, thank you for your support.
